

Convenient Ways to Bank

In addition to our branch access, we have convenient ways for you to manage your account and complete transactions. Here are some of your options for a variety of banking needs:

- **Drive-thru or night deposit** – Make deposits or handle other transactions without entering a banking center lobby.
- **Digital Banking**¹ – Sign up or sign in at oldnational.com or through the Old National Mobile app. New to digital banking? Visit oldnational.com/digital-banking for FAQs and video tutorials.
- **Use ATMs**² – Find an Old National or Allpoint® ATM on our website at oldnational.com/locations. Most Old National ATMs accept both cash and check deposits.
- **Touchtone Banking** – Access transaction history, check balances and make transfers by phone.
- **Client Care** – Call 800-731-2265 during regular business hours or find general information on our website 24/7.
