

Term Life and Accidental Death & Dismemberment (AD&D) Insurance

can provide money for your family if you die or are diagnosed with a terminal illness.

All full-time and part-time team members

How does it work?

You choose the amount of coverage that's right for you, and you keep coverage for a set period of time, or "term." If you die during that term, the money can help your family pay for basic living expenses, final arrangements, tuition and more.

AD&D Insurance is also available, which pays a benefit if you survive an accident but have certain serious injuries. It pays an additional amount if you die from a covered accident.

Your employer provides the following Term Life and AD&D coverage for you:

You:	<p><u>Full-time Team Member:</u> Your employer is paying for base Life and AD&D coverage of 2 times your annual earnings to a maximum of \$3,000,000.</p> <p>You may also buy down your basic Life insurance to 1 times your salary or a flat \$15,000.</p> <p><u>Part-time Team Member:</u> Your employer is paying for base Life and AD&D coverage of \$15,000.</p>
-------------	---

Additional coverage available to purchase:

If you are an active Full-time team member working at least 30 hours per week or an active Part-time team member working at least 20 hours per week, you may apply for additional coverage for:

You:	<p><u>Voluntary Life Option:</u> You can purchase coverage in \$10,000 increments to a maximum of \$1,500,000. Guarantee issue coverage is \$300,000.</p> <p><u>Voluntary AD&D Option:</u> You can purchase coverage in \$10,000 increments to a maximum of \$1,000,000.</p>
Your spouse:	<p><u>Voluntary Life Option:</u> You can purchase coverage in \$5,000 increments to a maximum of \$100,000. Guarantee issue coverage is \$50,000.</p> <p><u>Voluntary AD&D Option:</u> You can purchase coverage in \$10,000 increments to a maximum of \$1,000,000</p>

Term Life and Accidental Death & Dismemberment (AD&D) Insurance

A 'Living' Benefit - If you are diagnosed with a terminal illness with less than 12 months to live, you can request 75% of your life insurance benefit (up to \$500,000) while you are still living. This amount will be taken out of the death benefit, and may be taxable.

These benefits payments may adversely affect the recipient's eligibility for Medicaid or other government benefits or entitlements, and may be taxable. Recipients should consult their tax attorney or advisor before utilizing living benefits payments.

Waiver of premium - Your cost may be waived if you are totally disabled for a period of time.

Portability - You may be able to keep coverage if you leave the company, retire or change the number of hours you work.

Team Members or dependents who have a sickness or injury having a material effect on life expectancy at the time their group coverage ends are not eligible for portability.
