

PHARMACY BENEFIT MANAGEMENT SERVICES

PHARMACY DISCOUNT CARD PROGRAM

The Pharmacy Discount Card program is here to help you save money on your prescription drugs. With this program, you can get the best prices on your medications at participating pharmacies, without additional cards or applications to manage.

DESIGNED TO SIMPLIFY DISCOUNTS

Immediate Savings:

Automatically receive the lowest available price on your prescriptions at participating pharmacies.

No Extra Steps:

Use your existing pharmacy benefit card—no need for a separate discount card or application, and no need to search for discounts.

Wide Pharmacy Network:

Discounts are accepted at a large network of pharmacies, making it convenient for you to access your medications.
